Standard Operating Policy

Policy Summary: This document serves as a standard compliance policy test record for vendor payment processing. All submitted vendor invoices must adhere to the following guidelines:

- **Matching Requirements:** Invoice details, including Invoice Number (INV-2026-89412) and Total Amount (\$1,450.00), must match the issued Purchase Order (PO).
- **Verification Window:** Accounts Payable will process invoices within 30 business days from the recorded Invoice Date (July 29, 2026).
- **Vendor Compliance:** Payment will be disbursed to **Apex Global Logistics Inc.** upon final automated validation of this record.
